

# FINANCE AND TRADE.

OFFICE OF THE DAILY APPEAL,  
MEMPHIS, APRIL 21, 1871.

## FINANCIAL.

The interest in financial matters yesterday was variously divided. County warrants, gold, Mississippi and Tennessee railroad shares and stock in general were the absorbing theme of conversation. As to the latter, the market was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals. The market for gold was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals. The market for gold was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals.

## STOCKS AND BONDS IN NEW YORK.

New York, April 20, 10:25 a.m.—(Continued.)—The market for stocks and bonds was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals. The market for gold was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals.

## RAILROAD SHARES IN NEW YORK.

New York, April 20, 10:25 a.m.—(Continued.)—The market for railroad shares was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals. The market for gold was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals.

## COTTON.

The news from Liverpool noted a decline, while that from New York was anything but favorable to sellers. The market for cotton was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals. The market for gold was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals.

## COTTON STATEMENT.

MEMPHIS, April 20, 1871.—(Continued.)—The market for cotton was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals. The market for gold was very quiet, and the few transactions that took place were mostly in the hands of the same few individuals.
